

KAIROS CALL TO ACTION COVENANT

We, the members of First Congregational Church, UCC Sheboygan pledge to be devoted stewards of Creation.

We are called by God our Creator to take action personally and in community to help sustain our earth. Recognizing the many threats to pure air, clean water, productive land, and the health of all living beings, we covenant with each other and the greater church.

We will join in the United Church of Christ Kairos Call to Action and assess every possible way we can work toward climate recovery within our church and community.

We will strive to understand the causes and issues threatening the earth and take responsible action personally and as a church to work toward recovery and sustainability.

We will ensure appreciation and care for creation is part of all of the work of the church: in worship, church activities, community outreach, and upkeep of our buildings.

We make this covenant together because we believe that peace and justice are God's plan for all creation. The earth and all creation are God's. God calls us to be careful, humble stewards of this earth, and to protect and restore it for its own sake, and for a safe, healthy, and peaceful future home for all. As God offers all people the special gift of peace through Jesus Christ, and through Christ reconciles all to God, we are called to deal justly with one another and the earth.

Adopted by the Members of the Creation Care Team of First Congregational Church, UCC, Sheboygan.
